

# What's the Thread Count?

**MISSION** Creating a positive and creative space to express ideas.

**VISION** To create an open and friendly public space for conversation, expanding what Instagram does best to text. Help you connect to the people you care about, in a more meaningful way.

**CVP** Threads is a spin-off app from Instagram that focuses on conversations rather than visual content. You can log in with your Instagram account and share text updates and join public discussions. The app resembles the Instagram comment section in its design but offers the features of X, such as replying and re-sharing posts. You can create posts with up to **500 characters** (more than X's 280), links (add to your own thread), up to 10 photos, and videos up to 5 minutes long.

## Top Features

- Seamless IG Onboarding
- User-Customizable home-page panels
- Custom Threads (User picks topics and people to follow for custom feed)
- Self-threading (if Character limit is reached, auto add follow-ups in the same post) / Spoiler Blocks
- Simple Chronological Following feed

## Upcoming Features

- Monetization via in-feed ads (Phased)
- Fediverse Integration via ActivityHub (Phased)
- Direct Messaging on Threads (in Beta)

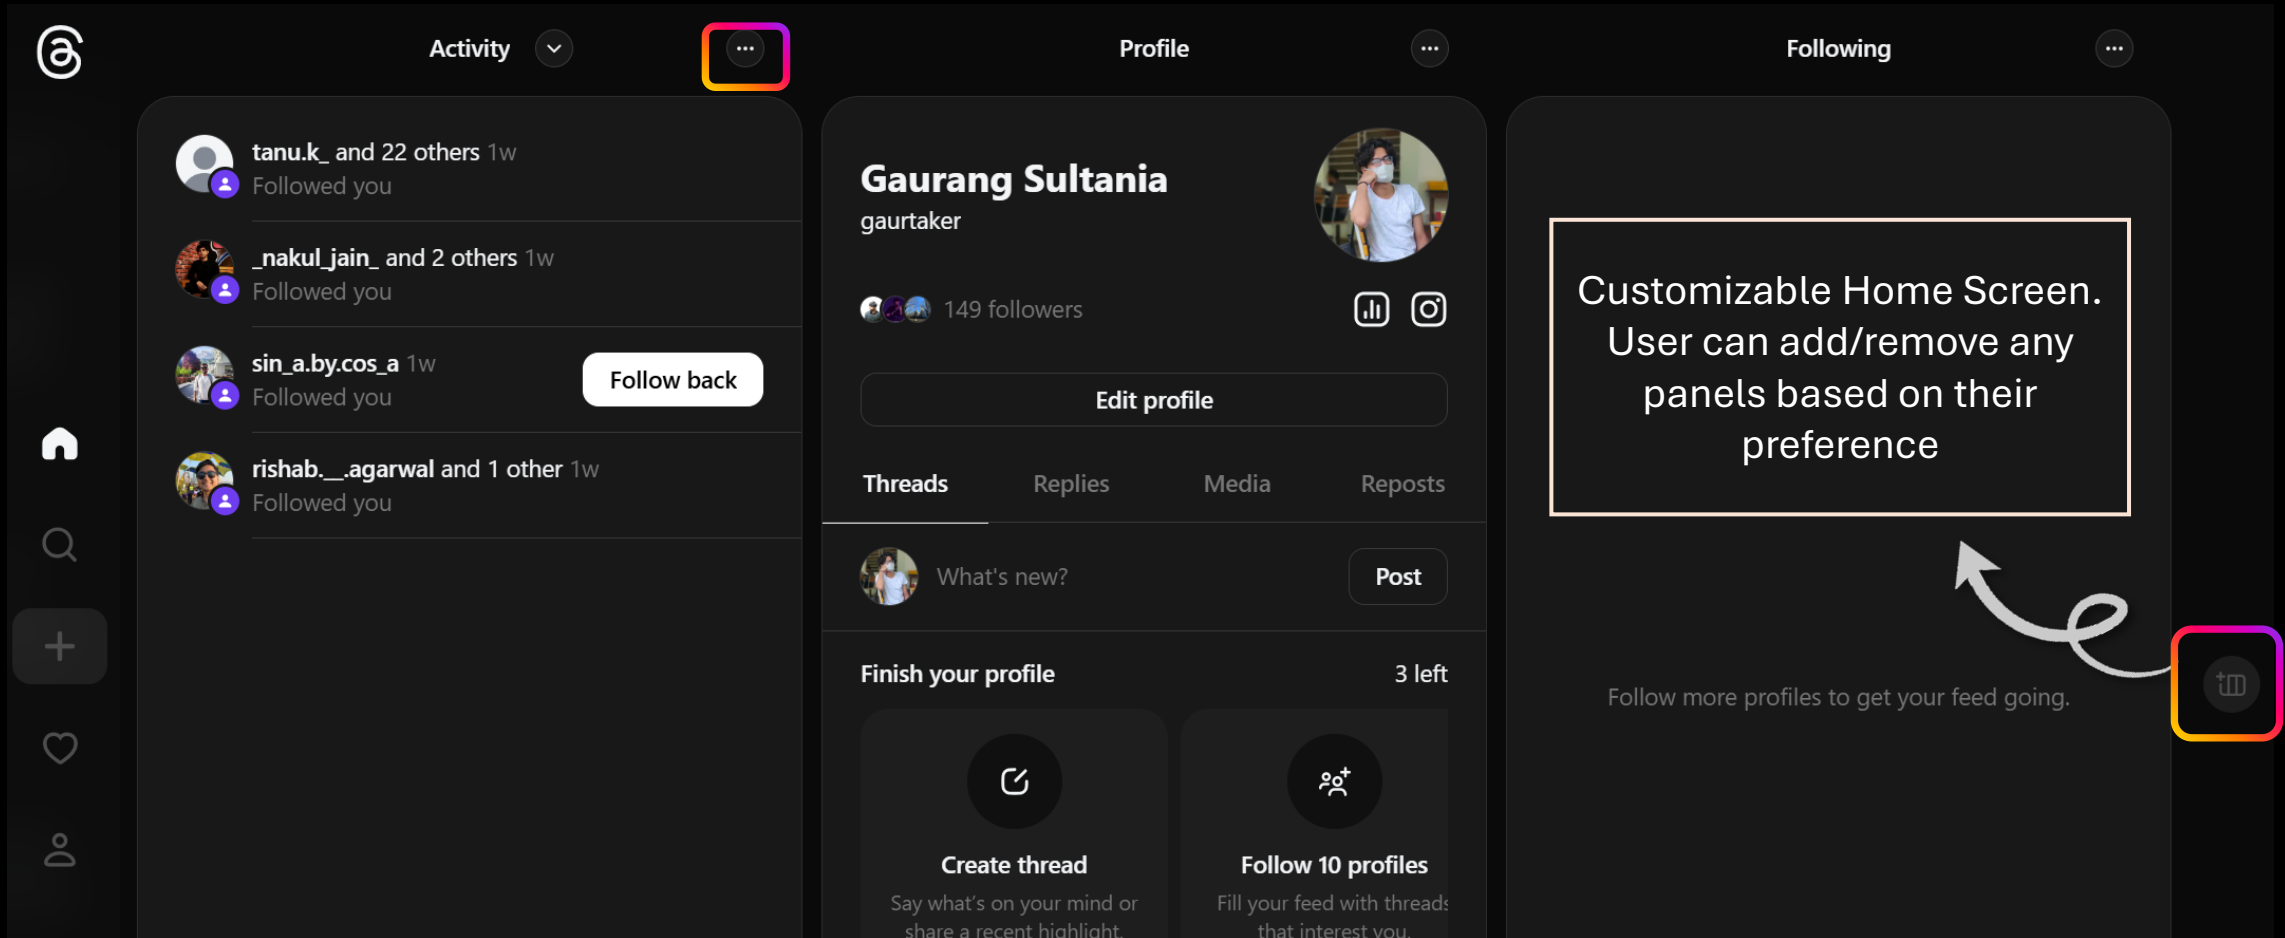

↙ The common thread? You log in through Instagram.

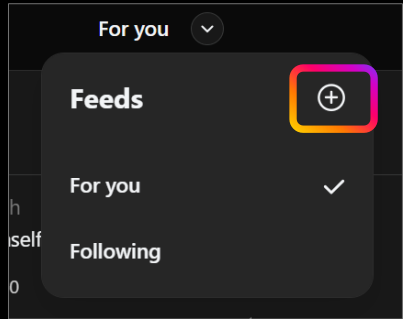

The screenshot shows the Threads login interface. At the top, the word "THREADS" is repeated in a circular pattern. The main login section is centered and contains the following elements:

- A red rounded rectangle highlights the "Log in with your Instagram account" section.
- Inside this section, there is a text input field labeled "Username, phone number or email address".
- Below the input field is a "Password" label and a corresponding password input field.
- A white "Log in" button is positioned below the password field.
- Below the "Log in" button is a link for "Forgotten password?".
- Below the link is the text "or" flanked by horizontal lines.
- At the bottom, there is a button with the Instagram logo and the text "Continue with Instagram" followed by a right-pointing chevron.
